### About This Content

Did you love bobbing your head along to the tunes while getting your soul crushed in ROOT? Well now you can bob along with those very tunes getting your soul crushed on your way to work, on a lonely weekend, or wherever you please because the ROOT OST is out now! No longer do you have to cower in the glowing corners of highly protected servers to hear the tunes that you loved so much. Now you can cower in the corner of your real room while you listen to this 17 track (and two bonus tracks) album packed full with your favorite sing along tracks from ROOT.

Tracklist (MP3 Format):

1. Boone
2. Summerton
